November 2007

We are now well in to what has been an incredibly busy term and Christmas is only just around the corner. The children have begun practising really hard for their Christmas performances and as always are looking forward to performing for you.

Our children have so many opportunities available to them as you will see from the range of extra curricular clubs available; timetabling these clubs is often very difficult for us as a staff and unfortunately clashes can sometimes occur. Clubs are very much dependent on the goodwill of staff leading them.

If you are able, check out the school website www.wymeswold.leics.sch.uk as we are adding photos, news and letters on a regular basis. Ignore any button marked 'log in' as that is for staff to add articles and edit web pages. Our website was graded outstanding in the annual review conducted by the company who set it up.

Although it now seems a long time ago the trip to Madrid was a fantastic success. Our children gained so much from the experience; they were guests in their penfriend's homes and really experienced the life of a Spanish child. Take a look at the photographs in this newsletter.

Thank you for your continued support.

KS1 Christmas Performance

Classes 1 and 2 will be performing their Nativity, 'The Lucky Owl' in the School Hall at 2.30pm on Friday 14th December.

This will be followed by a Christmas Fair organised by the PTA.

This year our Christingle Service will be taking place in St Mary's Church on Wednesday 19th December at 2.00 pm as part of our Carol Service; we hope you will be able to join us for this.

If you need to collect your child from school during the school day please come to the School Office first. We keep the rear doors of the school locked during session times in order to keep the children safe. This also applies if you arrive late in the morning and the doors are closed to Classes 1 and 2.

Please make sure your child has a sensible pair of supportive indoor shoes that fit. Several children have been walking around school in just socks; this is a health and safety risk as they could suffer injuries to their feet.

Children in Need

Children in Need Day is Friday 16th November. As in other years we will be asking you to bake cakes and biscuits for Children in Need. We will be sending out a letter with more details later this week.

Book Week

We will be holding a book week in school from Monday 26th November to Friday 30th November at 3.15pm every day in the School Hall unless there is a club when the books will be sold in Class 2. We are using the Travelling Book Company again as everyone was very impressed by the range of books on offer last year.

Operation Christmas Child

Once again we have had a wonderful response to Operation Christmas Child. Thank you so much for supporting this very worthwhile cause. We have collected 42 shoeboxes. It is a lovely thought to think of so many happy smiling faces opening their gifts at Christmas time.

Cross Country

The Cross Country season is well underway and the children are a real credit to our school. They have already competed in two Western Park runs as well as a Link 77 at Humphrey Perkins High School where Rebecca Southwell led the field in her race.

The last Western Park Cross Country is Saturday 1st December. Richard Thomas has very kindly agreed to co-ordinate Western Park Cross Country events; his e-mail address is: thomases@btconnect.com

The next Link 77 fixture will take place on Friday, 16th November.

At Western Park on Saturday 3rd November Rebecca Southwell came 6th in her race and Alice Daniel came 7th in her race, superb achievements for both girls. The full list of results can be seen on the website.

Many thanks for the support from parents.
