

Dear Parents/ Guardians,

We come to the end of a very busy half term—we have had pancake races, visits to Church, science week, Ironbridge residential, Beaumanor Hall residential, Year 6 have been to the Galleries of Justice and The Warning Zone, Class 1 have been to the Botanic Gardens and Classes 4 and 5 have been to the Curve Theatre this week to see 'Fantastic Mr Fox'.

Thank you to all the parents who have volunteered in school this term—hearing readers, helping out on trips or who have been into help in classes or with today's Easter Day in KS1. We appreciate all the help and time that you give. Also, thank you to staff members who have taken time to take children away on residential trips and organise day trips.

The willow den and tunnel are excellent additions to the school grounds—thank you PTA for your continued hard work to provide equipment and items that improve the school for the children.

Have a lovely Easter and we will see you all again on Monday 24th April.

Mrs J Scallon

Mon 19th June Tue 20th June	Year 3 Year 4	Production
Wed 21st June	Whole School	Sports Day

Spring Term Newsletter 6 Friday April 7th 2017

Ironbridge Residential Trip

The children that went to Ironbridge were very well behaved and polite at all times.

They visited a number of Ironbridge museums—The Museum of the Gorge, The China Museum, Blists Hill and Enigunity.

They also visited RAF Cosford. The children found out about the development of the town of Ironbridge and it's importance in British history.

'The bridge was built for coal to get to the other side'—Darcey

'The children started work at the age of 10'—Connie P

'Ironbridge was the first ever iron bridge in the world'—Joe

'I learned how to make a flower out of clay'—Thomas G

Experiencing Easter

KS2 were invited to attend an Experiencing Easter session at the Methodist Church.

The children moved around different areas of the Church to find out about different aspects of the Easter story. We wish to pass on our thanks to all the volunteers who took part. The children learned a great deal and have a deeper understanding of Easter.

Year 6 have been on two trips recently; The Warning Zone and The Galleries of Justice.

At the Warning Zone they found out how to

keep safe when they are out by themselves and also while they are online.

'I enjoyed learning about all the dangers and seeing how dangerous the small things can be'—Thomas H

'It helped me learn more about the world'—Isaac

The Galleries of Justice taught the children about crime and punishment in the past and how laws are made today.

'I enjoyed the court scene because it looked like a real court'—Ione

'I enjoyed doing the court trial'—Lily

Year 1 and 2 went to Beaumanor Hall for their residential. They had a day of searching for the Gruffalo and a day of mini games.

'I learned to work together and we learned about habitats. We learned to use our senses'—Holly

'I loved everything at Beaumanor'—Marcie

'I loved sleeping in the bunkbeds'—Finn

'The show jumping was great'—Elise (this was show jumping on hobby horses!)

Please can children come back to school with names in their cardigans or jumpers as they will soon be taken off once the weather starts to improve and with sun cream/ hats if necessary (hopefully!).
