

Dear Parents/ Guardians,

We have had a busy fortnight since the last newsletter, we have had the annual Fire Service visit Year 1 and Year 5 to talk about fire safety.

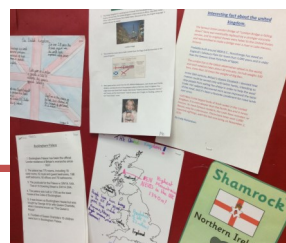

Four gymnasts, Lily, Amelie, Ben and Tiana went to Burton on the Wolds Primary School on Wednesday for a gymnastics competition. We are very proud of the time and effort that the group has put into practising, they were really brave and tried very hard. Mrs Wagg has mentioned the supportive team spirit that the children had. Thank you to Miss Riddell and Mrs Wagg for attending and Mrs Turner for helping with the scoring.

Enjoy half term and we will see everyone again on **Tuesday 21st February**, at 8:50am.

Year 6 Bikeability

Unfortunately, Bikeability have had to cancel the sessions after half term due to unforeseen circumstances. We are awaiting a date for it to be rearranged. Apologies for this.

Playground behaviour before school

It has been brought to our attention that a number of children are playing fast racing games before school starts.

Please can you ensure that your child is not running quickly in the mornings as they may fall or run into someone else and hurt someone else/ themselves. Also, please can you ask your children not to go onto the grass at the sides of the playground as the ground is becoming very muddy.

Thank you for your cooperation with this.

New leaving routine after clubs

Thank you for your support with the changes at the end of the day when children attend clubs.

School closed Monday 20th February

Reminder that Monday 20th February is a staff training day and school will reopen for children on **Tuesday 21st at 8:50am.**

Headlice

Please can you ensure that you check your child's hair carefully over half term and treat any lice that you may find.

Sainsbury's vouchers

We are saving the Sainsbury's vouchers for sports and cooking equipment. If you have any please put them in the box in the reception area or send them into school with your child. Thank you.

Fire Visits

On Tuesday 31st January we had a visit from the Fire Service for years 1 and 5. The children found these sessions very informative:

"He told us about fire alarms"

Elise, Class 2

"We learned about fire safety"

Violet, Class 2

"We learned if there is a fire crawl on the floor"

Marcie, Class 2

"We learned not to make hoax calls"—

Ethan, Class 5

"You have to always drop down if there's a fire and touch the door knob with the back of your hand to see if it is hot"

Dylan M, Class 5
