

Dear Parents/ Carers,

Last week Year 6 completed their SATs tests. We are all very proud of the mature attitude and sensible manner with which the Year 6s approached the tests.

Year 2 have also been carrying out their SATs tests and have also been working very hard. Well done Year 2 and Year 6!

A reminder that we are closed on Friday 26th May as it is a staff training day and we will see the children back ready for the new half term on Monday 5th June.

I hope you all have a relaxing half term break.

Mrs J Scallon

Open Morning—Wednesday 7th June

We would like to invite you to a Mastery and Maths Open Morning. The National Curriculum; introduced in 2013, has an emphasis on mastery skills. Mastery is an approach where once children have learned knowledge or skills their understanding is deepened by applying their knowledge to different problems and in different ways. This deepening of knowledge is a stage in learning for all children. You will be able to visit your child's class or look at how different classes approach mastery. A letter will be sent out for you to indicate if you are intending to attend the morning.

### Anti-Bullying Award

A member of the Anti-Bullying team came into school last week to assess our work so far towards the award. She felt that we had made good progress towards the award and was impressed with the work of the Anti-Bullying Representatives. The Anti-Bullying Representatives have explained what they do:

We watch out for anyone being bullies and we make the school a nicer place. We have badges so people can see us. People can speak to us if they don't feel comfortable speaking to a teacher or they are upset, we will try and sort it out or tell an adult. We have set up the Friendship Zone where people can go if they are sad or need a friend. We are putting another worry box outside for people to write their troubles/ worries in.

### Church Visit

Class 5 went on a visit to St Mary's Church to learn about a wedding ceremony as part of their RE work this term on Monday 15<sup>th</sup> May.

We went to Church to experience a wedding ceremony and learn about weddings. Reverend Rob made it fun for us by making us all play a part in the wedding. Harry was the groom whilst Abigail was the bride. Whilst we went through the wedding, Reverend Rob showed us a slide that linked the part of the wedding we were acting. It was cool how he let us dress up in really posh clothes. Reverend Rob let us volunteer to do each part e.g., Joseph was the vicar, the best man was Jack, Brides father was Dylan M, Dylan LB was the organist, the bridesmaids: Harriet, Evie and Isabella and lots of bell ringers. We had so much fun.

On Monday 15<sup>th</sup> May we went to Church to see what you do in wedding ceremonies. Reverend Rob got us costumes. Joseph was the vicar. Harry as the groom and Abigail was the bride and Jack was the best man. The father was Dylan M and the organist was Dylan LB. I think the best actor was Joseph. The reverend was Reverend Rob. It was educational, but fun. The bell ringers were Rory, Amelie, Alfie, Madeleine, Elissa, Leyton, Mason, Cody and Tabitha. The bridesmaids were Harriet, and Isabella. The ring carrier was Lucas .
