

Dear Parents/ Carers,

On Saturday a group of fantastic parents, children, family members and Governors came to school to clean and tidy the school grounds. I would like to thank everybody that gave up their time to come and do this—your efforts have made a huge difference to the outside space. Also, thank you to two of our parent Governors, Claire Harrison and Lesley Herington, for organising the morning. There are some photos overleaf and on the school's Twitter page.

The School Council would like to thank children, parents and staff for the donations to Children in Need. We raised a fabulous £166.45!

Health and Wellbeing Day

Our rescheduled Health and Wellbeing morning was held on Wednesday 22nd November. The children found out about healthy eating and drinking, exercise, how important sleep is and other aspects of a healthy lifestyle. Thank you to Miss Riddell for organising the day's activities.

Carpenter's Arms

Reminder on **Friday 8th December we will be holding a non-uniform day with children bringing in food donations**, (Class 4 will have non-uniform day on Thursday 7th December as they are out of school on a trip on Friday).

Aspiration Day

We are holding an Aspiration Day on December 11th. We would like to invite **children to dress up** as the career that they aspire to become when they are older. The aim of the day is to encourage children to think about the wide range of career choices available to them. Thank you to the parents who have volunteered to speak to the children about their jobs and careers. We are hoping that this will be a fun day that gets the children thinking about the future.
