

Dear Parents/ Carers,

On Monday we had a special visitor lead our Collective Worship; we were joined by the Archdeacon of Loughborough, Claire Wood. Archdeacon Claire shared a story with the children and led prayers. She visited all the classrooms and praised the children's behaviour and manners. We would like to thank the Archdeacon for visiting us and leaving her copy of the Bible for us to look at and share.

We have set the dates for our EYFS and KS1 Nativity performances:

Tuesday 11th Dec—EYFS Nativity

Tuesday 18th Dec—KS1 Nativity

Provisional Friday 21st Dec—Whole School Carol Service— awaiting confirmation of time. As soon as this is confirmed I will let parents know

Mrs J Scallon

Data Protection Forms

Thank you to those parents who have returned their forms informing us of your consent to take photos etc. If you have not returned your form, please can you do so as soon as you can.

We are hoping to start sharing some photos of the children working on our Twitter feed (@WymeswoldPS) in the next week. Your child will only be included in photos if you have given us your consent.

Friday 4th Jan	Whole School	Training Day -School closed for children
Monday 7th Jan 8:50am	Whole School	School opens

Autumn Term Newsletter 2

Parking/ Driving

A polite reminder that parents are not permitted to use the car park for dropping off or collecting children.

We have been asked by our neighbours to ask parents not to drive up The Nook at the beginning or end of the day. Please park on Brook Street or the surrounding streets and walk up to school.

Nut Free School

A reminder that we are a **'nut-free' school**. We do have a child within school who has a severe nut allergy. We would like to ask you to check labels of snack items and lunchboxes to make sure you are not adding items which have nuts in them, for example Nutella or peanut butter in sandwiches. Thank you for your understanding with this matter.

Year 6's trip to Warning Zone!

On Wednesday 19th of September class 6 went to Warning Zone in Leicester. We all got on the coach at 9:15 and there was bonus, no work all day! It was definitely a fun-filled trip.

When we arrived we all got a touch pad that had numbers on for the quizzes later on in the day. Then we went in the first E-safety room to watch a clip about a girl called Becky and a man called Simon.

After that we went into the main E-safety room where there were lots of amusing games without one single computer! There was a game called 'Guess Who Were the Leader' which ended up tricking us into many different ways of spreading our personal information.

Later on, we had lunch and got a bright yellow, I support Warning Zone, wrist band. Next we watched another video where some kids made lots of silly, dangerous mistakes. We got split into three groups and did the next activities such as: What to do if you're stuck in a fire, if you're near a train track, electricity, near a road, swimming safely, drinking safely and what to do if you find a knife. Then there was the moment we were all dreading we had to head home, it was like the end of the world, we weren't happy.

Year 6's trip to Warning Zone!

On Wednesday 19th September 2018, Class 6 went to

Friday 21st September

Warning Zone in Leicester. We went for the whole day (and missed out on all the work!) The trip was packed with interactive fun for us to enjoy!

The first section was 'E-Safety'. We started off by walking into small-ish room. It had a GIANT television. The visit manager came in; we all stopped chatting and started to listen. Sophie, (The E-safety visit manager) explained that we wouldn't be in here for long. She let us know that the clicker pads on our necks were for the 'Who wants to be a millionaire' style quiz. We watched an 8 minute 'Film' about a girl that set up her social media account without any privacy settings and a man called Simon looked at the profile; He was interested... They started talking and Simon lied... Becky ended up knowing about it and reported it to the Police; he got arrested!!

After that, We were in groups and she sent some groups to the E-Safety 'Fun-Fair' while one group stayed in the briefing room and watched more clips. The Fun-Fair had a bunch of games! It had things like Phishing, Grooming Guess who Etc. After we played at the fun fair.

For lunch we went to the Mini canteen. Wow, the sight of 20 children chomping on food!

The FUN part of the day came round and guess what... It was the zones! There were 8 zones split into 3 groups. The zones included Fire safety, Road Safety, Drinking etc. It was definitely the sort of thing that the kids we're expecting from those photos on the class 6 door! Here is everything on the zones and about what the real meaning of them being here was!

In the drinking zone, we had a park with some litter; a bench, and graffiti on the war memorials! We tried on beer goggles and did a mini-game! It was an experience.

The next zone was FIRE SAFETY! This was you in a house and there was a bunch (I mean a BUNCH!) of fire hazards. You ended up in the guide's 'Bedroom' they us how to check if there was fire behind a door. One door is cold so we open it and you have to absolutely crawl on the floor to get out of the smoke!

There is a lot more but I'm not going to name them all!
