

Summer Term Newsletter 1

Friday 5th April 2023

Dear Parents and Carers,

We have been busy start to this term – Year 3 and 4 have been to How Hill in Norfolk. We had a lovely time learning all about marsh and fen ecology. We went on a boat trip down the River Ant to Barton Broad, where we saw an otter, kingfisher, cormorant and a lot of swans. We tried our hand at thatching, dissected some owl pellets (sorry for the bones that came home parents!), weaving, orienteering and much more.

The children were absolutely amazing for the whole trip, they were courteous, polite and great fun to be with. Thank you to Miss Hamilton, Mrs Lester and Mr Riddell for also accompanying the trip.

We have our Coronation Celebration Day today – there are some fantastic cupcakes for the competition! Each class is having a day of Coronation tasks, making crowns before a street party this afternoon and the crown catwalk later! Thank you for supporting this event and for donating food for our party. We have purchased a memento for the children, but as yet these have not arrived in the post, so will come home next week.

Have a lovely Bank Holiday weekend.

The Lamp of Learning travels the World

Thank you for the photos of the lamp's travels.

If you have some photos that you have not sent in, please send them to the admin@wymeswold.leics.sch.uk address.

Miss Martin started her travels in San Francisco and is currently in New Zealand, and is having an amazing time, she has been in a helicopter, travelled to a glacier and has seen blue penguins.

If you have any family members or friends who live in far away places, please ask them to send in photos with the lamp too. We will be putting the photos onto a large map in the hall and sharing the Lamp's journey in Collective Worship.
