

Dear Parents/ Carers,

We had a lovely day celebrating the Duke and Duchess of Sussex wedding on Friday. Thank you for all of the food donations provided. There were weddings happening in school and a lot of discussion of the royal family tree, wedding planning and ideas of what might happen on the day. The children have designed cards, that we are sending, to the happy couple.

Two 'Good Citizen' certificates have been given out this half term to Madeline and William. Madeline spent her own time, one weekend, weeding the memorial garden. William held his own toy sale to raise money for Unicef; his chosen charity. William has raised £38.30 so far, and plans to continue his fundraising. Well done to you both.

Today is the Year 3/ 4 production of 'Joseph and his Technicolour Dreamcoat'. It is sounding brilliant, and I am sure everyone will enjoy watching the shows. Thank you to Mrs Evan, Mrs Wagg and Ms Gessey for organising the show and the PTA for providing refreshments.

A reminder that school is closed for children tomorrow. We hope you have a lovely half term and that the sun is shining. School will reopen on Monday 4th June.

Mrs J Scallon

| Friday 13th July | Whole School | Finish for the Summer 3:15pm |

SATs

We are very proud of the attitude with which the Year 6s approached their SATs tests this year. They all worked incredibly hard. Well done Year 6!

History Afternoon

We would like to welcome visitors to the school on 19th June at 1:30pm. Over the coming year we are aiming to find out more about the history of the village and the local community. We are launching this with a history afternoon. We hope to be finding out about the village and how it has changed over the years and people's different experiences of schooling. Children will be able to invite their parents or grandparents and we will be aiming to collate questions that we will research over the coming year. More details of this event will be sent nearer to the time.

Weather

As the weather gets warmer please can you ensure that your child has a named water bottle and hat in school. Please make sure that your child has sun lotion on before they come to school as we cannot apply sun cream to your child.

CCTV

You may have noticed that we have recently had CCTV installed around the outside of the building. This is to help us monitor activity at school during evening and weekends.

Over the past few years we have had incidents of anti-social behaviour and vandalism, happen on the school grounds, out of school hours, in the summer months. These incidents have taken many hours to sort out and involved police time and cost to the Local Authority and school. Therefore by being able to monitor the school more closely when it is not open, we hope to reduce these incidents.

Goodbye and Good luck

Today we say goodbye and good luck to Holly and Sou. Holly is moving to a school closer to her home in Loughborough and Sou is moving to Chesterfield. We will miss you both. If you are ever back in Wymeswold, pop in and see us.

Website

A reminder that dates for the coming year are on the website, along with a lot of other information that you may find interesting.
